## Introduction:

### Peace and Islam Religion

Islam has two meanings: 1: Islam means peace

2: Islam means to surrender before Almighty Allah, and to be obedient and faithful to Almighty Allah (GOD, ईश्वर [प्रमात्मा]).

Thus, whosoever is peace loving and obedient and faithful to Almighty Allah (GOD, ईश्वर [प्रमात्मा]) is called or known as Musalman or Muslim.

Thus, True form of Islam establishes peace and maintain communal harmony, and Musalman or Muslim establishes peace and communal harmony in the society and in the world as a whole.

So, Musalman or Muslim is obedient to Almighty Allah and maintain peace, establishes goods and eradicates evils from the society, follow the path of truth, gives the message of peace, spread peace and establishes communal harmony, eradicates communal terrorism (आतंकवाद), threatened either from any community, from any political party, or from any religious groups, or media (terrorism spreaded and propagated by any media).

In this way every Muslim spreads peace, and gives, retaliates and wishes peace to every Muslim, and whole humanity as well. Almighty Allah has said in His Quran:

وَإِذَا حُيِّتُمْ بِتَحِيَّةٍ فَحَيُّوا بِأَحْسَنَ مِنْهَا أَوْ رُدُّوهَا ۗ إِنَّ اللَّهَ كَانَ عَلَىٰ كُلِّ شَيْءٍ حَسِيبًا [٤:٨٦]

When a (courteous) greeting (Salam) is offered you, meet it with a greeting still more courteous, or (at least) of equal courtesy. Allah takes careful account of all things.

اللَّهُ لَا إِلَهَ إِلَّا هُوَ ۚ لِيَجْمَعَنَّكُمْ إِلَىٰ يَوْمِ الْقِيَامَةِ لَا رَيْبَ فِيهِ ۗ وَمَنْ أَصْدَقُ مِنَ اللَّهِ حَدِيثًا [٤:٨٧]

Allah! There is no god but He: of a surety He will gather you together against the Day of Judgment, about which there is no doubt. And whose word can be truer than Allah's?

So, when a Muslim say to another person: “Asslamu-aleikum (be peace upon you “तुम पर सलामती हो”); another person replies: “Wa-aleikum-assalam (be peace upon you also, “तुम पर भी सलामती हो”). In this way every Muslim is a carrier, messenger and spreader of peace in the world.

Hence, Religion-Islam maintains peace and establishes communal harmony in the world.

**The United Nations Educational, Scientific and Cultural Organization (UNESCO) has also declared Islam as the most peaceful religion on July-2016. The UNESCO after studying a deep and comparative study of all religions has declared**

that Islam is the most peaceful religion, and issued a certificate of Peace (Please see below):
